

There has been a FALSE email circulating with the subject line:

WI- 300 ENGLISH SHEPHERDS SEIZED FROM MILL/HELD IN BARN!!

WISCONSIN

*Any rescues out there that can help /please contact Erin at 715 222-9167 or/ email
**erin.mckee@gmail.com* <mailto:erin.mckee@gmail.com>* *

*I got this information off of the ASPCA Group. It was a cry for help from Erin. She is located in Montana and she is part of the National English Shepherd Rescue. Please - Just because this is not your breed - do not delete this message. My contacts are very, very limited in Montana and I am in need of much cross posting in that area. *

*300 English Shepherds were seized and are being held in a barn. The local shelter want all of them turned over to them but as in the past

they will put them down. Erin NEEDS some help.*

Please, please help with cross posting. To anyone you think might be able to help in this area. Spread the word or these 300 souls will be put to death. The woman has been arrested but you know as well as I that it is not these 300 souls fault. And as you are probably aware, puppies are probably coming. Help save these precious souls. Do anything you can. Thank you. Kathi Rich
